

2010 GENERAL TRACK RULES FOR ALL CLASSES

UPDATED 10/13/09

1. Anything found to be detrimental to a class or the competition of racing will be addressed and handled immediately.
2. Window nets must be in place and easily removed from inside the drivers compartment. The driver must be able to remove the net and exit the vehicle in an emergency situation.
3. Full face helmets with flip down visor are required. No use of open faced helmets and goggles.
4. Fire suit, gloves and neck roll are **STRONGLY** recommended. At the very least the driver or drivers must have long sleeves and long pants at all times. There will be **NO EXCEPTIONS!!**
5. Arms and hands must be kept inside the car at all times. Any rude or obscene gestures will **NOT** be tolerated. If this occurs, JJAM racing will determine the disciplinary action taken.
6. Racing seat and belts required. A minimum of a 4 point harness required unless stated differently in the class rules.
7. Equipment flags will be thrown for any leaking of fluids or loss of equipment from the vehicle.
8. Use of the cone on single file restarts in the features only. No car or truck can pass another car until you have passed by the orange cone. If a vehicle passes another prior to passing by the cone, the flagman will determine how many spots at the end of the race or the next red flag the vehicle will loose. If you have a question make sure to ask an official prior to the race!!
9. All vehicles must pass safety inspection. No exceptions. Safety is a **MUST!!**
10. All vehicles must have 4 wheel working brakes.
11. All cars in any class are subject to tech.
12. **No mirrors of any kind allowed in any class.**
